Scrolling down on the homepage, on the left side of the screen, you will see two sections

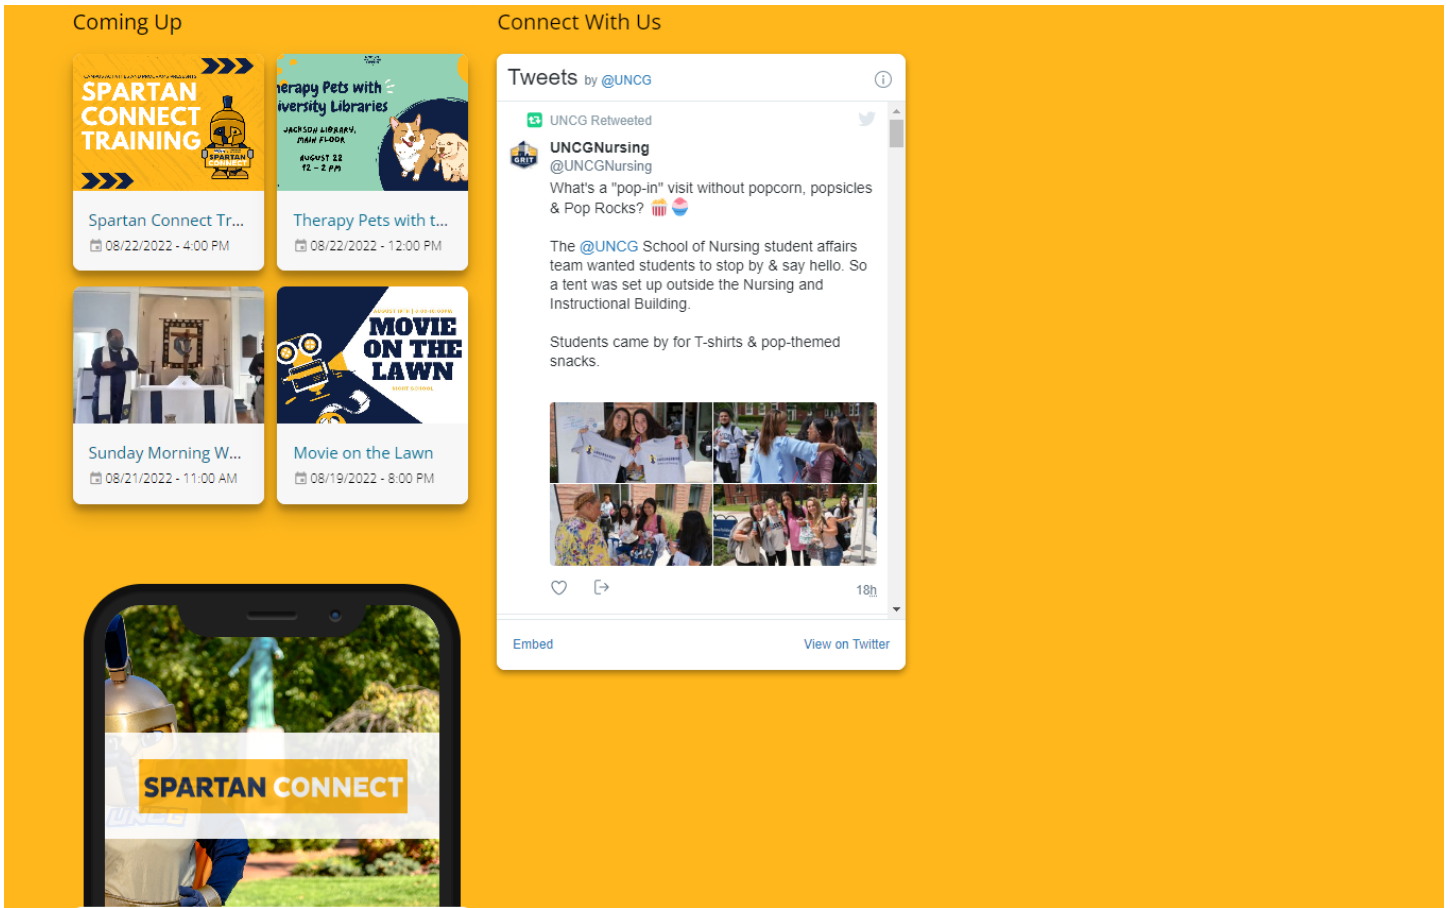

1. *Your Memberships*: Lists all of your active memberships for student groups or departments.
2. *Happening Now*: Any events that are currently happening will scroll through this section so you can see any current events.

The next section highlights *Featured Organizations*, most of which are set right now to be campus departments. If they are not set as campus departments, the system will highlight different organizations each time the page is refreshed.

Next to *Featured Organizations* is the option to “*See More*” which will redirect to a full list of active organizations and departments.

Finally, there is the “*Create Organization*” button which is where students can go to create a new student organization.

Spartan Connect Homepage

Further down the homepage, there is a “Coming Up” section on the right side of the screen which includes any additional upcoming events. These will rotate each time the page is refreshed.

Additionally, there is a “Connect With Us” section that links to the UNCG twitter account and the option on the bottom left to click links to the UNCG Mobile App which is connected to Spartan Connect.
